

COLOURS AND SHAPES-1

Name: _____ **Date:** ___/___/___ **Score** _____

Colours:

red - having the colour of blood or fire Red is my favorite colour.

blue - having the colour of a clear sky or the sea on a clear day.
I have a blue water bottle.

orange - a bright reddish-yellow colour.
The girl in orange dress is my friend.

purple - having the colour of blue and red mixed together.
I like the combination of purple and pink colours.

brown - having the colour of earth or coffee.
Teacher told everyone to colour the mountains brown.

black - having the very darkest colour, like night or coal.
To draw a night scene I painted the sky black.

yellow - having the colour of lemons or butter.
My father gifted me a yellow dress on my birthday.

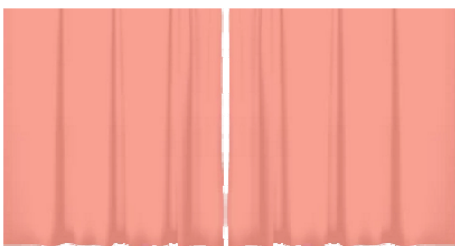

green - having the colour of grass or the leaves of most plants and trees.
My green colour crayon is broken.

pink - pale red in colour.
My friend has decorated her room with pink buntings.

grey - having the colour of smoke or ashes.
I have lost my grey colour crayon.

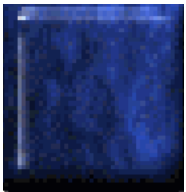

peach - a pinkish-orange colour. I have bought peach colour curtains for my room.

white - having the colour of fresh snow or of milk.
Doctors wear white coats.

Shapes:

square - a flat shape with four equal sides, The room had square windows.

triangle - a flat shape with three straight sides and three angles.
Cut the sandwiches into triangles.

oval - shaped like an egg.
My friend has oval face.

star - an object, a decoration, a mark, etc, usually with five or six points, whose shape represents a star.

I was riding a horse with a white star on its forehead.

rectangle - a flat shape that has four sides and opposite sides are equal.

I need a rectangle mirror for my room.

circle - a completely round flat shape.

Cut out two circles of paper.

semi-circle - one half of a circle.

We sat in a semi-circle round the fire.

diamond - a shape with four straight sides of equal length and with angles that are not right angles.

I got my drawing framed in diamond shape.
