

SKELETAL & NERVOUS SYSTEM

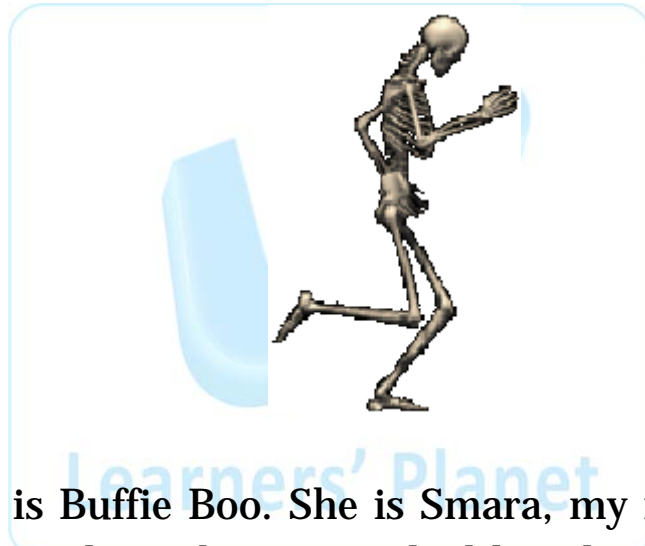

Name: _____ Date: ___/___/___ Score _____

WORKSHEET – 3

Identify and write the names of the different type of joints that will help the skeleton in its various activities.

1. Hi, my name is Scooby Skelly. I stood 1st in my class. So, I am in a good mood and want to dance. Can you tell me which type of joints will help me to dance ?

2. Hi, my name is Buffie Boo. She is Smara, my neighbour. She loves her dog very much. Today, I smacked her dog just for fun. She got angry and she is there to beat me. Please save me... somebody please help me. Can somebody tell me which type of joints help me in running away from the situation?

3. Hi, I am Scar Spike. I am in grade-5. I am very much scared of my exams. I am in stress, and don't know about the types of joints please help me as I also have to prepare for my exams.
